OUR FIRM

- Established by Burt Arnold in 2001, BMA Securities is a national leader in market making, trade execution, and clearing stock deposits.
- Headquartered just outside of Los Angeles in El Segundo, CA, we have maintained strong industry relationships and built a reputation for providing rapid executions with a knowledgeable and experienced team.
- Clearing relationships through COR Clearing LLC and Industrial and Commercial Bank of China. BMA has several clearing arrangements to accommodate most financial transactions.
- We are a financial services leader, trusted partner, and provider of a robust, responsible, and innovative product platform.

TRADING SERVICES

- Able to buy and sell large positions of illiquid OTCBB names while making a bona fide market in the security.
- Access to liquidity in thinly traded exchanges.
- Equities, options, and bond executions with GTC, DAY, limit, and market not held orders.
- Access to international markets.
- Order routes to a variety of venues such as ARCA and Instinet.
- Online Access to view your account

CERTIFICATE DEPOSIT AND CLEARING

- In house counsel to help navigate our clients through regulatory requirements and compliant solutions for their investments.
- Certificate processing and 144/ Restricted Stock Deposits
- Extensive experience with convertible note debt structures and processing.
- Registered Direct and Reg A/ A+
- Credit Lines

PROFESSIONAL SUPPORT

- Full service back office with years of experience.
- Confidential and discrete service that recognizes the sensitive relationship between investors and issuers.
- Advisory services through BMA Advisors
- Investment banking services
- At the market offerings
